Dear Mr. Valentine:

Please be advised that the Rules and Regulations of the Suffolk County Republican Committee have been amended and this amendment was duly ratified at our June 1, 2015 meeting of the Suffolk County Republican Committee. This amendment applies only to Article 7, Section 5 as follows:

“SECTION 5. This provision shall be effective immediately as to all candidates in any election for a County, State or Federal public office, and shall be effective as of January 2, 2016 for any candidate in any of the ten towns in Suffolk County.”

Please file the same and include with the existing copy of the Suffolk County Republican Committee Party Rules and Regulations on file with the New York State Board of Elections.
